Business Forum of Punjab

(Inspiring business leaders to help build a prosperous Pakistan)

Revision # : 002

District Boards Development Programs

BFP shall evolve a district-wise coherent plan for giving a meaningful direction to the business community in the Province with a focus to generate economies of scale, activity, employment, taxes, productivity, exports etc., resulting in a momentum in the right direction

Ladies and Gentlemen

The Business Forum of Punjab considers its district boards to be the most relevant outfits to devise future strategies for their corresponding districts.

The following guidelines intend to provide direction to district boards to prepare social and economic growth plans for their districts.

The district boards should encourage group discussions and involve relevant stakeholders to prepare this document.

- Intended Program time line
 - 10 years looking into the future
- Basic District information
 - Area sq km
 - Main urban centers
 - Population
 - Industrial concentrations
 - Major organizations operating in the districts
 - Employment levels
 - Industry
 - Trade
 - Agriculture
 - Other
 - Major crops
 - Major active trade & other representative organizations
